## Golden Botanical Serum

Golden Botanical Serum is a blend of 9 vegetable oils and 3 natural actives that act on the various visible signs of skin aging. It visibly corrects deep wrinkles and existing lines and improves skin structure.

Contains an active phytotensor "Bio-Botox". They work in depth on different parts of the skin. With fast action, it delays aging, reduces muscle contraction and its effects are maintained over time.

In addition to all these benefits, Golden Botanical Serum nourishes the skin leaving it soft and radiant with a silky finish and a light natural scent.

## **Dream Water Toning Mist**

**Sprayed. Absorbed. Hydrated.**

Dream Water is a rich tonic that hydrates, regenerates the tissues, and balances the pH of the epidermis with anti-inflammatory and healing bioactive agents. The synergy of the purest organic Aloe Vera and enriched with a blend of Immortelle and Melissa floral water are the right mix to radiate the delicacy of your face.

A good dose of glycerin is the bonus of softness and nutrition for your skin.

## Be Free Cleansing Oil

Designed to remove makeup without difficulty, including waterproof. It also easily removes traces of sunscreen or impurities that accumulate on the skin throughout the day.

Our unique jelly-like balm transforms into a milky emulsion with the addition of water. Once removed, reveals soft, and hydrated skin.

Be free Cleansing oil is water-free and with a composition that deeply cares for the health of the skin, capable of treating, reducing and in some cases even eliminating skin problems.

Spray your face and neck 2-3 times.

**Now Golden Botanical Serum**
